## Kent County 4-H

April 2018

### Pet Vaccination Clinic

The annual vaccination clinic will be held on Wednesday, May 9th, from 2:30pm-4:30pm. This event is lead by the Stars of Tomorrow Club, but all 4-H members are welcome to come help. Remember these types of events count as a community service project. Please help spread the word.

### Kent Co. 4-H Scholarship

Applications for the scholarship were mailed to all seniors. If you did not receive one, please contact the Extension Office. Applications are due to the office by May 4th. Applications are also available on the website at <https://kent.agrilife.org/2018/04/05/2018-kent-county-4-h-scholarship/>.

### Cattle Validation

Steer and heifer validation has been set for June 23rd. Please save the date and if you have any conflicts, let the Extension Office know by June 15th so other arrangements can be made. To be eligible for county all calves must be validated on or before June 23rd.

### Horse Validation

Remember to contact the Extension Office if you need help validating horses for the District and State Horse Show. The District Show will be changing to a 3-day format, so it won't run as late. Those deadlines are approaching fast, so don't hesitate to contact us.
