Major Show Sign-up Night

Kent County 4-H and Jayton FFA will hold a sign-up night for everyone wanting to enter the spring major shows on November 6th at 6pm at the Kent County Courthouse. If you are unable to attend, contact the extension office and we can get you the entry forms. Fort Worth entry forms must be back to the Extension office by November 14th. Entries for San Angelo, San Antonio, Houston and Austin must be back to the Extension office by November 28th.

Lamb Clinic

There will be a lamb shearing and fitting demonstration Saturday, October 13th, at 4pm. Toby Oliver, King County CEA, will be at the ag shop to give tips and advice on shearing and fitting lambs for the upcoming show season.

Quality Counts Class

Don't forget that everyone wanting to show at the spring major shows this year must complete the new quality counts test. Families needing help are encouraged to call the Extension Office and schedule a time to come in.

Kent County 4-H and Jayton FFA will also be holding a quality counts class. Students can come to the school on October 8th at 4pm to get help completing the test with Brandon and Mr. Burkhalter.

The new program can be found at this website address:
