Hog Major Show Tag Orders

Quality Counts

Major Livestock Show Exhibitors ONLY:
If you entered the 3rd, 6th, or 9th grade this fall, or you will be attending major shows for the first time, you must take (or retake) the Quality Counts course to show your livestock project. This course must be completed by the entry deadline of the show you are planning to enter.

If you need help with the registration process or would like to complete the course at the office, please call, email or come by and we can help you.

Rabbit Orders

Just a reminder that it is time to start contacting breeders to order your rabbits for the 2020 KCLS. Breeders will begin breeding in the next two weeks, so make sure you get your order in ASAP. If you need the list of breeders, please contact the office.
